MEMORANDUM FOR: Director, National Photographic Interpretation Center

FROM: 25X1

Director, Foreign Broadcast Information Service

SUBJECT: .Possible Rotation -   25X1

Rae:

    1. I believe I mentioned the other day that we are searching for a
rotational assignment for [   ], GS-14, currently deputy chief   25X1
of the FBIS Bangkok Bureau. Gary is 38 years old, and will be returning
to Headquarters in August 1985. He is considered one of our best
prospects for the future and has indicated he would like to be considered
for a broadening rotation assignment.

    2. I would appreciate your people taking a look at his file to see
if there is any interest. We could arrange to bring him back for an
interview, or he could be interviewed in August if it looks favorable.
Please note that he served 3 years as a junior officer in the Office of
Imagery Analysis.

    3. If he is qualified, I believe some sort of line management
position would be the most beneficial, although a staff position might be
useful if he can improve his knowledge of management.
